

## Designcrete DIY LLC - DIY Clean Technical Data Sheet (TDS)

DIY Clean by Designcrete DIY LLC is a powerful, concentrated, and no rinse cleaner designed for commercial, retail, and residential floors. This cleaning solution has a balanced neutral pH that protects the surface shine while its aggressive cleaning agents remove tough dirt without causing any damage to the floor surface. DIY Clean is ideal for use on a variety of floor surfaces including sealed floors, ceramic tile, linoleum, marble, granite, sealed hardwood, and laminate.

### Benefits:

- Concentrated formula
- Leaves no film or streaks
- Non-toxic and phosphorus-free
- Neutral pH to protect the surface shine
- Safe to use on all sealed floors
- Features a fresh, clean fragrance
- Does not contain any Prop65 chemicals

### Instructions for Use:

Dilute DIY Clean with water before use. For normal cleaning, add 4 oz of DIY Clean per gallon of water and mop the floor with the solution before allowing it to air dry. For heavy-duty cleaning, add 8 oz of DIY Clean per gallon of water and apply the solution to the floor using a mop. Allow the solution to soak and penetrate the soil, scrub with a mop to remove the soiled solution, and allow the floor to air dry. For use with an auto scrubber, add 4 oz of DIY Clean per gallon of water.

Note: Wet floors can be slippery, take necessary precautions such as blocking areas from traffic and/or setting up safety warning cones.
